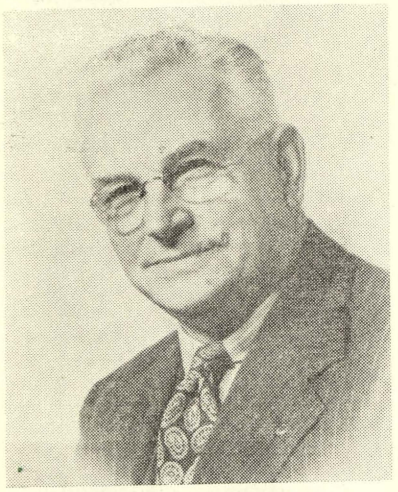
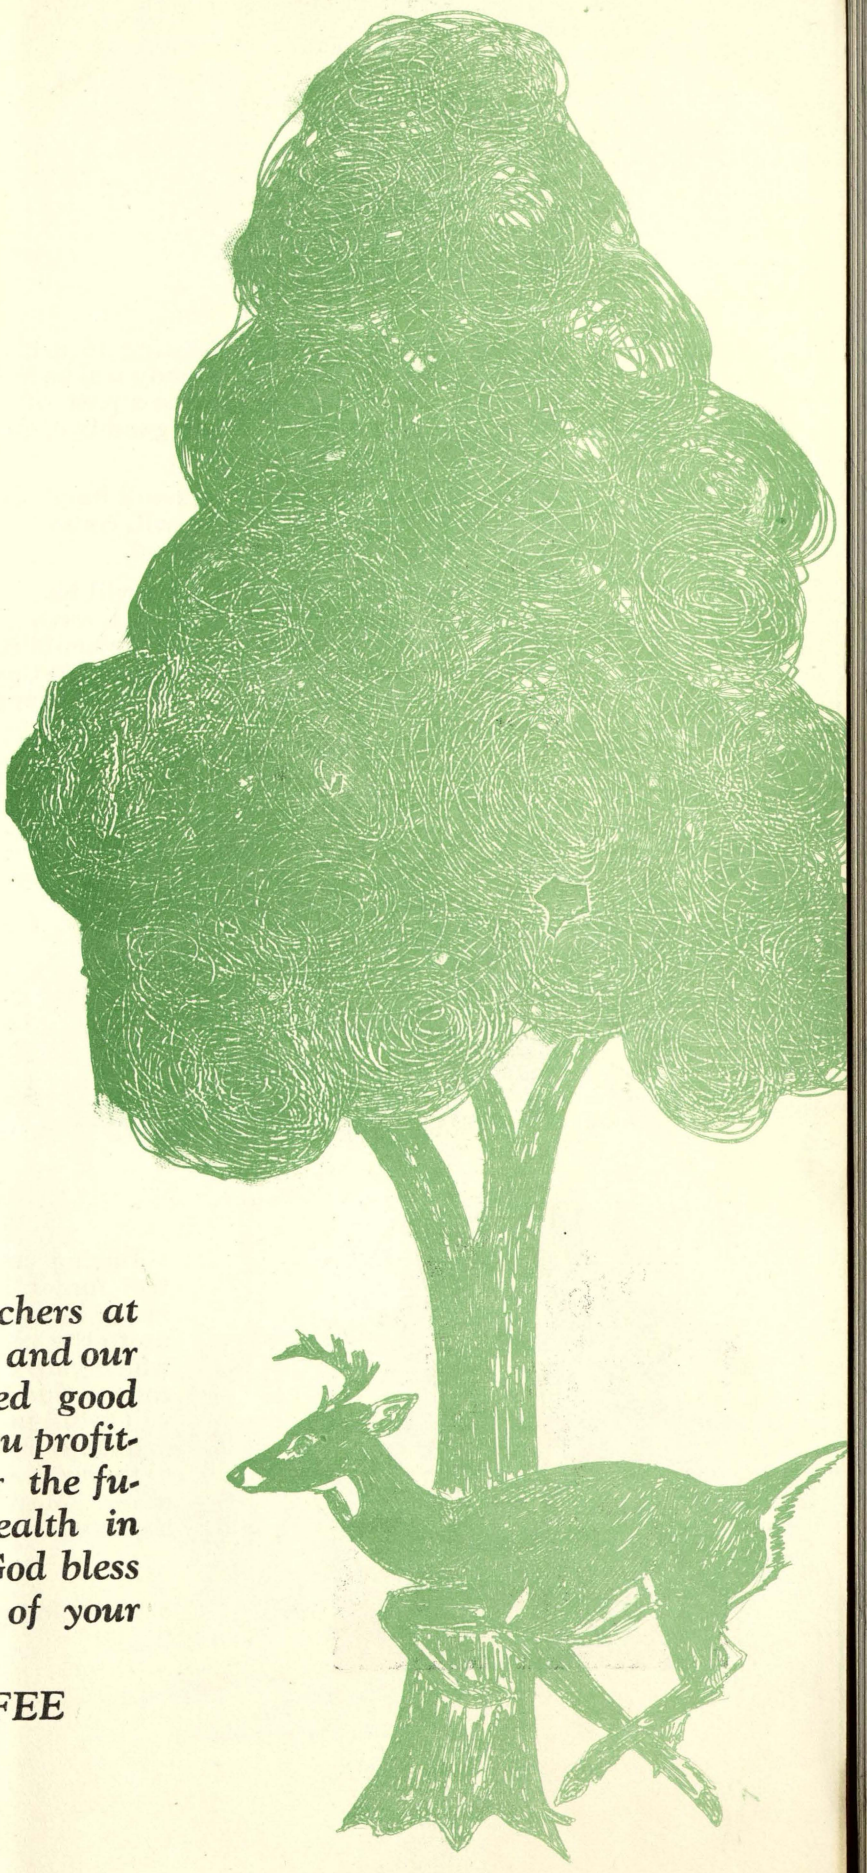
DEDICATION

We of the 1955-56 journalism class are very happy to dedicate this years Annual to a long time member of Central's faculty, Mr. Leslie J. Turner. Mr. Turner came to Central in 1928 and in his 26 years taught journalism, science, English, and history. His last position was dean of boys which he handled very capably.

Mr. Turner finished the 1955 school year and then accepted the position of superintendent of schools in Caro, Michigan. We wish him much happiness and success in his new work.

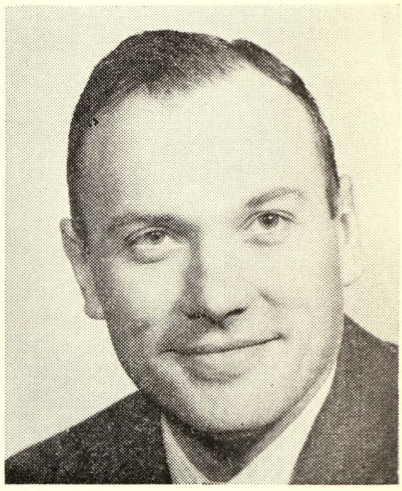




GREETINGS

To the students and teachers at Central we send our greetings and our heartfelt thanks for continued good will and support. We wish you profitable choices iny our work for the future, and continuing good health in the endeavors of life. May God bless you all and make successes of your lives.

N. W. CHAFFEE



Another school year is drawing to a close and one-third of our student body will be moving on in a few days to become a part of another school. To them we say good-bye, good luck, and God bless you.

Next fall, in their stead, we will have with us many new students who will come to us slightly bewildered and confused.

However, in a short time they will have become accustomed to our rules and ways and will shoulder their share of the responsibilites of making our school run smoothly. To them we say welcome, good luck, and have a happy three years.

Irving W. Burtt

During your three years with us at Central Junior, all your teachers have tried to instill in you a desire to "Do Right", to live up to the very best of those qualities with which you were created; so that you may become a fine person, an excellent citizen who will fulfill in every day of your life the commands of our Greatest Teacher, who taught us in our every action we must "Love One Another". May you always live up to those hopes which we have for you.

Sincerely,

Josephine M. Klempnow

OUR THEME

By Carol Wolinski

The white pine pictured on this years Reflector cover symbolizes our theme, "The Forest." Saginaw being a lumbering state had its share of trees, forests, and accompanying folklore so we thought that "The Forest" would make an ideal theme for our first attempt.

As the trees stood there so tall, proud, and stately, so it is true that many a Central student in after years made his mark in life and stood out tall, proud, and stately among his fellow citizens all over the world.

As it is true of the forests through out our great country, it is also true of our great school.

Both contain many various kinds of pupils, not one just like another; some of great value; others worthless; some that grow and remain tall and stately even through storms and hardships; a few crippled and broken but flourishing regardless of their handicap, all seeking the "sunshine" of life.

What of those that never will amount to anything? They will become the outcast, the kind of people that dictators and evildoers thrive on. They will turn to anyone who will offer them a solution for their problems. Thank God there are not too many of these or it wouldn't be long before we would lose our precious freedom.

Will the people who have worked and learned and really carried the load always be able to counterbalance the lazy and the ignorant? Let's pray to God that it will always be so. There is nothing worse than a forest that has lost out due to neglect.

ENGLISH

by Carol Wolinski

At the head of our English department at Central is Mrs. Habel in room 304. Students are taught grammar, reading, writing, and spelling. One reading experience is David Copperfield, or some other full length classic which is required in the ninth grade.

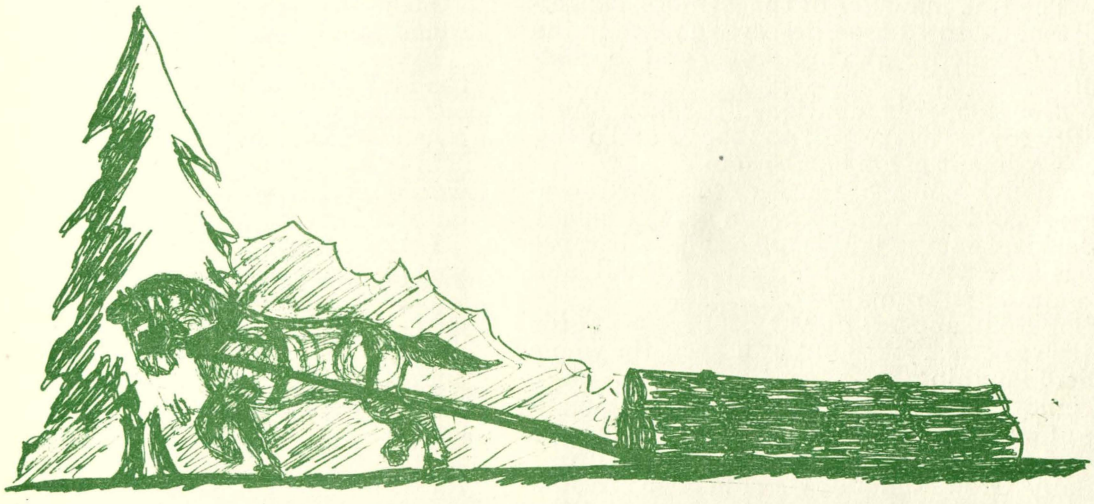
The engineer Carl Phillips who has been with the school 32 years, takes care of the plumbing and appliance work and also watches the boilers. The fireman, John Stimpon, who has been here 33 years, tends the boilers.

Wilber Markhart is the head janitor at Central. Other custodians are Norman Spangler and Edna Davies on first floor, Earl Tucker on the second floor, Adolph Saferts and Irene Reed on third floor, Angelo Valdiserri who takes care of shops, Hector Hawkins, Gym and Band rooms, while Hazel Graves takes care of the auditorium.

Mrs. Heady Dice is the caferteria manager, with Irene Demers and Iola Demers helping her.

We have one laundress, Lucy Reetz, who does the laundry for all public schools in Saginaw except Saginaw High.



HALL OF FAME

By Joyce Guest

In the tall forests, some trees are more outstanding and more firm than others. The taller and firmer trees of Central make up this Hall of Fame. Carol Wolinski deserves to be mentioned for being editor of our school paper and for having all "A" report cards. Norm Schrah has earned his place because of being King of the Highlites and captain of the basketball and soccer team.

Shirley Lazzaro has been on the volleyball team for three years and also in the track meet for three years.

Linda Patton is remembered for doing a nice job as a cheerleader.

Mary Miles deserves to be in the Hall of Fame for all the typing and other outside work she has done for teachers.

Eugene Hand and Luis Castellanos find themselves here because they are captains of service squad, in the ninth grade band, and have all-A report cards.

Holly Manning has served Central in many ways; captain of cheerleaders, a lieutenant of the service squad ,and Queen of the Highlites.

Bob Parker's name is here for being such a fine basketball player an having such a nice personality, and also president of our Student Council.

She really deserves to be mentioned for all her fine service to the school and her work in the office. She is Kathleen Schaffer.

Yvonne Ely finds a place for herself here because she is vice-president of her home-room, had an all "A" report card and for her pleasing smile and personality.

The fine manager of the seniors basketball team, Jerry Losee, deserves a place in the Hall of Fame for playing soccer and basketball.

Jim Hooper is mentioned because of his ability to play basketball and soccer and being vice-president of his home-room.

Gladys Miller has a place too, for earning her gold pin, and being on service squad.

Jackie Chamberlain is placed here because she is a lieutenant on the service squad and drum majorette this year.

Bob Bohn appears on our list because of his ability to crack jokes but still keep the whole school laughing.

Nancy Henning is mentioned for working in the office fifth hour and being on service squad. She also had an all "A" report card.

Sally Grew and Judy Schnetzler are submitted for being in the school plays, and for their all "A" report cards.

Sue Cherry, who is in the ninth grade band and on the service squad should, surely be mentioned.

Mary Ann McGregor deserves to be in the Hall of Fame because she earned her large letter and a fine report card

Bette McClellan is remembered for being so friendly.

Kathleen Lewis finds herself here because she was on the volleyball team and for her nomination for Queen of the Highlites.

Eleanor Claytor for being on the service squad and her fine report card.

Billie Dee Lofback deserves a place in the Hall of Fame for being a lieutenant on our service squad. The same is true of Ann Muellerweiss, Dace Lusis and Diane Seklins

Martha Kemper's is named because she worked in the office, and got good marks on her report cards.

Larry Newsome is mentioned because he was on the basketball and soccer team.

Roberta Vogan is here for being in the school play, on the vollyball team for three years, and having an all "A" report card.

Jolene Moncrief deserves to be mentioned for winning the first prize in print-making at the Saginaw Women's Club Art Show. Donald Zlotnick and Bennie Liddell won honorable mentions at the same art show.

JOURNALISM CLASS

The journalism class is that group of "Johnny Inkslingers" who wrote those interesting monthly Reflectors and this grand annual.

If you were to walk into room 114, any school day, you would proably see Carol Wolinski, our editor, busy checking papers and also passing off some of the load on Joyce Guest, the assistant editor.

Frances Steiner, the secretary, is busy counting lines and Margaret Klisch is biting the end of her pencil trying to think up editorials. Sandra Troge, the humor editor, is laughing with Julie Vaughan over a new joke she has found. Douglas Anderson who writes poems, is trying to figure out if bear rhymes better with chair or glare or maybe hair.

Bill Beck and Jim Raasch, our sports editors are busily discussing the latest sports event. Mary Ann McGregor, the inquiring reporter is thinking up something to inquire about. The exchange editor, Alice Furstenburg is sending out Reflectors to other schools. Ann Jorden the class artist, is busy drawing droodles.

Other members of the class are; Feature Editor, Sandy Stanton. Inquiring Reporter, Don Schlitt; reporters, Barbara Hoffman, Margaret Wicker, Sharon Drouillard and Arthur Ugartechea. These students along with Mr. Boertman, our advisor deserve credit for the monthly and annual Reflectors written this school year.

Service Hours
By Art Ugartechea

Each year we are happy to write this article about the workers here at Central. Who are they? You guessed it--the service award winners.

We are proud of Central's students this year as they beat their 1954-55 record in service awards. We had eight gold pin winners this year to seven last year and in small letters seventy seven to fifty last year.

We are sorry we lost in the large letters twenty-seven to twenty. To earn a gold pin you must have 750 service hours, a large letter 500 service hours and a small letter 200 service hours.

The proud students who received their awards at the award assembly on February 10, 1956 were:

P.T.A.

BY Julie Vaughan

Central Junior High School has a P. T. A. of which we are all proud. The officers are:

President--Dr. Philip Nolish
Father Vice President-Mr. Lionel Bingham
Teacher Vice President--Miss Eleanor Mack
Treasurer--Mr. Frank Evans
Recording Secretary--Mrs. Mary Pollard
Corresponding Secretary-Mrs. Dorothy Beck
Historian--Mrs. Helen Garlick

In October, we were very fortunate to have a man from the television station show us the use of fire arms.

In November, our parents met the teachers of Central students at Open House and found out just how their Centralight was doing in school.

In the month of December, we had a Christmas program given by the auditorium classes under the direction of Mr. J. C. McDonald and the music department under the direction of Mr. Franklin A. LeBar.

In January, our sewing classes put on a style show, modeling the clothes they made during the year. Central's band also had a part in the program.

The month of February was also a big month; for we had our ninth annual Highlights instead of a regular meeting.

In March we had a meeting discussing the problems of the teenager and juvenile delinquent.

The same subject was continued in the month of April. Our last meeting was in May, and we welcomed the parents of the students who will attend Central in 1956 through 1957.

We hope our P. T. A. will be successfull next year as it has been this year.

If there were more self-starters, the boss wouldn't have to be a crank.

FRESHMAN LEAGUE

The Freshman League is a group of ninth grade girls that meet at school one week and at one of the members homes the next. They have had three bake sales and one dance at the Shrine Temple.

CHEERLEADERS

(Paul Bunyan couldn't do better)

Central is very proud to have such a fine group of cheerleaders. They have spent many long hours working very hard on the cheers. The cheerleaders that are in the ninth grade are: Holly Manning, Linda Patton and Elinor Claytor. The eighth graders are: Julie Vaughn Kay Fager, Florence Henderson, Etta Beatty, Louise Doster, Thelma Jackson, Eleanor Gushen and Janice Grandville. There are, all together, eleven cheerleaders.

STUDENT COUNCIL

By Ann Jordan

Our homeroom presidents make up the Central Junior Student Council. The members meet in the library to discuss Central's problems and try to help solve them. Before each meeting the homeroom holds a discussion, and the president of the homeroom relays their ideas and suggestions to the council.

Student Council officres are as follows: president, Bob Parker; vice president, Ruth Ann Vliet; sergeants at arms, Margaret Golz and Louie Economou; secretary, Linda Patton and Saginaw Junior Citizen Council member Ann Marie Jordan.

ME MAN

John Adams

Me loved him so,
Him did me dirt,
Me did not
Him was a flirt.
To those in love,
May "Dod" forbid
That they be done,
Like I be did.
Darn him me hate he,
Me wish that him had died,
He told me that him loved me,
But, Oh, how him did lie!

It's better to give than to lend . . . and it costs about the same.

SERVICE TYPISTS

Clickety click, click, the keys are kept continuously busy as the Service Typists do their work. Some work for the teachers during class and some after school. They also type the articles for the Reflector before they go to printing. They deserve a lot of credit for their good work.

Jack: I was just asking him for the time.
Teacher: Now I have a question for you, Time will pass; will you?

Mr. Wood: Howdy, Mr. Stone. How's Mrs. Stone and all the little pebbles?

HIGHLIGHTS

Crowds gathered in Central's auditorium on February 23 and 24, to see this year's annual Highlights, with Bill Ahrens and Jack Keane acting as Masters of Ceremonies.

Our guest artists were the Onchords, one of the outstanding quartets in the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America. They are second place winners in the Michigan district.

The traditional ninth grade chorus line did a wonderful job, dancing to the tune of "Buttons and Bows."

Some of the other acts were; a dance by Sandra Brown, "He" sung by Louise McDaniel "Guitars in Harmony" with Donna Mae and her uncles, an eighth chorus line dancing to the tune "Tea for Two," Military Boogie, and Spanish Dance by Amanda Aylala, the Silhouette Dance with Beverly Brinkman, Julia Evans, and Bette McClellan, a can-can number, the Harmony Teenettes, the Ambassadors of Songs, and a double tap number done by Julie Vaughin and Ann Hoffman. Our pianist was Art Galonska.

There were many people not seen in the Highlites who did much work; Miss Schultz, Miss Lundbom, Julie Vaughn, Janice Granville and Mrs. Claudine Wickes were in charge of the dance routines. Mr. Foulds was the art advisor; Tom Gerow and Frank Czologosz were the art crew; stage crew members were Bob Armstrong, Brian McInerney, Bob McCormick, John Livingston, Gatis Lusis, and Clifford Defore. Mr. Dunne and the boys of the printing department printed the programs and tickets. Miss Williams, Mr. Galloway, Mr. Shairer, and Mr. Kleekamp were in charge of publicity.

Assemblies

Mary Ann McGregor

During the school year of 1955 and 1956, Central Jr. High had four exceptionally fine professional assemblies in our auditorium:

The first one was presented by the Carl Josephs. This was a man and wife team showing their skill in archery. Mr. Joseph's trick shots were almost unbelievable. Mr. and Mrs. Carl Joseph showed the students of Central breath-stopping stunts with the bow and arrow.

Our second assembly by Larry Tobler was sensational. Mr. Tobler played the banjo and demonstrated to us, why he is called "King of the Banjo,"

The third assembly of the year was" Down to the Sea in Ships." Captain Dry presented the students of Central with many displays of sea equipment and also many stories of the sea.

The last but not least assembly of this year was given by David S. Williams. This assembly was on The Wonders of Liquid Air. When Mr. and Mrs. Williams demonstrated their strictly modern version of liquid air, many a student was delighted, and bewildered. This assembly wound up another year of four professional assemblies at Central.

P. S.

The cost these four assemblies was only $362.50, according to Mr. Burtt.

You don't have to worry about your station in life ... there's always somebody who'll tell you where to get off.

Remember, these trying times will be the "good old days" in just a few years.

Ambition is nothing more than a tickling around the wishbone.

KING AND QUEEN

On February twenty second and February twenty third Norm Shrah and Holly Manning were crowned king and queen of the "Highlights of 56". Holly is an all "A" student, has been a cheerleader for two years, member of Freshman League, and has been in the ninth grade band for two years. Norm is on Central's senior basketball and soccer teams.

The runnerups for queen were Frances Steiner, Kathleen Lewis, Judy Randall, Barbara Henderson, and Thelma Jones.

The runnerups for king were Jerry Thon, Eugene Hand, Jim Hooper, Bill Cymbol, R.A. Stevens.

BOYS GLEE CLUB

In all the lumber camps most of the lumberman used to like to sing. We find this also true here at Central, and none likes to sing more than our boys glee club. They have entertained us throughout the year. Mr. LeBar, the director, says eighth and ninth graders can join. The members this year are:

Robert Patton
Tom Miller
James Collier
Oillie Barry
Larry Kast
Lawrence Easter
Jack Diaz
Ed Martinez
George Villaeed
Robert McCormick
Jim Wamback
Dennis Farmer
John Martinez
Gatis Lusis
John McAfee
Mike Klaczkiewicz

Mike Scarbough

CLASS PROPHESY

(As the twig is bent - So grows the tree)

This is station C. J. H. S. broadcasting from the beautiful Log Mark room in the new Hotel Saginaw, overlooking the beautiful Saginaw River. This is Robert Armstrong and Lanny Sharon broadcasting the twenty-five years after reunion of the 1956 class of good old Central Junior. We want to thank the genial Douglas Anderson, who is the hotel Manager, for assisting us in getting ready for this grand occasion.

Entering the lobby are Lyle Wolfgang, Warren Stavely, Jim Baumgartner, Ronnie Zanner and James Raasch, millionairs (who took time off from making millions to visit their old classmates.) Who are those three blonds in those mink coats and jewels? Why that's Frances Steiner, Mary Boyer and Judy Schnetzler.

I see several old friends registering at the desk, they are Dr. Jim Hooper and his wife the former Beverly Brinkman. Also at the desk are some nurses, they are Joyce Guest, Sally Barnes and Barbara Hoffman. These girls studied at the same hospital and graduated with the highest honors.

Oh, another doctor is coming our way, it is Dr. Bob Bohn. Dr. Bohn is one of the greatest eye doctors in the U.S. (Bob was always sort of interested in the eyes of people.)

Man!! Dig that suit. I always did think that U. S. Air Force pilot uniforms were cool but these, man, the're out of this world! The pilots are George Brown, Joe Pelon and Earl Crane.

Have any of you seen the new "Marlyn Monroe"and the new "Clark Gable"? Well now is your chance for here comes Miss Vicky Mathews and Frank Szabo. They have just finished a picture named "It's Almost Tomorrow".

If you are interested in learning the latest dance steps just step up and ask either Karla Hildebrandt or Janet Liss for the new steps, as they are now two of the most famous dance-teachers for Arther Murray Studios. In fact they flew in on "Jet Specialty" from New York.

For all those interested in going back to school again, you can meet some of the new facualty members at Central. They are Martha Kemper who teaches English, Jerry Thon, boys gym teacher, Larry Kast, boy s gym teacher and Shirley Lazzaro girls gym teacher.

If anyone listening is interested in having their home or stores redecorated just call on the famous interior decorator, Margaret Klisch. Margaret went to college after high school for four years and between then and now has climbed the ladder of success almost to the sky. She is at Hudson's, Detroit.

Now for a royal visit. Here is the 1955-56 Queen and King themselves, Holly Manning and Norm Schrah. These two took over their reign in "1956" and I do say so myself, they have done a wonderful job in television and the movies.

For a real treat here comes the famous "Almost All Girl Band". The members are well known Sue Cherry, Carol Gardener, Yvonne Ely, Bette McClellan, Jackie Chamberlain, and the one who makes it "Almost", Bill Cymball, popular male singer.

Here comes that well known French hair stylist Miss Judy Randall. Judy came all the way from Paris, France for this reunion;

Most of you know the famous person who writes the "Save Yourself" column for all the leading newspapers of the world. She is here in person, Miss Sandy Stanton. Sandy got her start when she took journalism back in Central. She has come a long way.

The new team, Barbara Hendersen, Thelma Jones, Earnestine Bothel, Marilyn Strothers and Viola Washington are doing very well at the Blue Tango run by the famous Larry Newsome.

Those famous basketball players, R.A. Stevens and Jim Thomas, plan to entertain us tonight with a few basketball stories.

Also on the entertainment list for tonight are the "Three B's Sisters." They are Joyce Bates, Leala Brown, and Annie Barnes. These girls are really on the top. Their latest record was "Shoo Ruthie."

Coming out of the elelvator "poodle first" is Mary Johnson, the spectacular ballet dancer of the year.

OH! right behind her is the well known actor Pat Brown. Pat went to the same College of Dramatics that Frank Szabo did.

At the candy counter I spy somone you sports fans all know. He is the light-weight champ of the world, Robert King.

There's Calvin Cross the editor of the famous newspaper "First Things Come First," and his assistant editor, Pearl Isom.

The Junior senator of Michigan is also at our Reunion. She is the first female senator in the State of Michigan, Linda Patton.

Sorry folks, time is just about up so we must bid you all good bye. This is station C. J.H.S. signing off.

Like Ben Franklin says, "A man who falls in love with himself will have no rivals."

CENTRAL'S MAJORETTES

Central's majorettes, under the expert direction of Mr. Mathews, have done a very nice job this year. These girls practiced very hard after school to gain precision timing. They have marched in several parades and made Central very proud of them.

Girls who wish to be majorettes should know some thing about the art of twirling a baton and be willing to practice many hours after school.

This year the head majorette is Jackie Chamberlain and the majorettes are: Mary Boyer, Bette McClellan, Beverly Brinkman, Sue Cherry and Carol Gardner. Nice job girls.

CENTRAL'S ORCHESTRA

We are proud to have an orchestra at Central under the leadership of Mrs. Mary Carlson. All of the students strived earnestly during 1955 and 1956 to form a good orchestra and they all deserve a good pat on the back for it.

The students play frequently for P.T.A., schools, concerts, and have a Spring Festival every year. We would like to thank all of them.

The orchestra members are, Leo Borrello, Nancy Gregory, Janice Haefele, Herbert Hansen, John Luebkert, Allen Maris, Melcha Millar, Gwendolyn Pruiett, Douglas Anderson Indilus Ansevics, Richard Banks, John Ferguson, Marie Hetzner, Connie Hunt, Gerald Horn, Walter Kuhlman, Janis Janson, Indulis Judzis, Victoria Mares, Callie McAfee, Pat Smith, Gary Sterling, Jean Sutters and Gene White.

CENTRAL'S LIBRARY STAFF

By Sharon Drouillard

To some pupils of Central our library may seem to be a rather "gloomy forest" but with the help of Miss Schindler and her crew, much light can be found.

Miss Schindler is in charge of the library. Her helpers are Geraldine Gilkison, Virginia Johnson, Elizabeth Hill, Jacquelynn Haitman, Sharon Huff, Pat O'Connor, Linda Pelayo, Baiba Skrivelis and Elizabeth Ricica.

This library staff helps Miss Schindler put the books in their right order on the shelves, check in and out books, keep the magazine table and rack neat and check the Encyclopedias every night.

All duties in the library rotate every fifth week. Helpers can select new titles of books for next year and they soon learn to use the card catolog in a very efficient manner.
